MATERIALS

[Butterfly-shaped template](#)

Construction paper

Scissors

Markers/crayons/paint, stickers, yarn or other small items

Glue or tape

Small twig from a tree

Optional:

Piece of string for hanging

DIRECTIONS

1. Cut out butterfly shape from template on dotted lines. Turn it over so dotted lines do not show.
2. Ask your child decorate the butterfly shape template using markers, crayons, paint, and/or stickers. You could also ask your child to glue on small colorful items such as pieces of yarn or cereal.
3. Glue butterfly to a piece of colored paper.
4. Glue or tape a twig to the middle of your butterfly.

Optional:

5. Cut out the butterfly, punch a hole in the top, and add string so it can be hung up.
